Story Works Story:

200 words (approx)

We would like you to tell us about a formative experience in your life, something you would like to share with the world that would encourage, evoke a 'me too' response and/or inspire others on their journey towards God. Here are some ideas to get you started:

- most important or significant day in my life
- a positive experience
- a negative turn in my life that God redeemed
- something I've learnt, recovered from
- my life improved when I changed this ...
- the last time I laughed or cried
- the thing in my life I am most grateful for
- if you were to start a sentence with 'this much I know' how would it finish
- what comes into your mind when you think of God
